MEMORANDUM

To: SCEL Commissioners
From: Tim Madden
Re: Search Committee
Date: June 11, 2009

Pursuant to the action of the Commission at the June 9, 2009, meeting, and after talking with most of you, I am pleased to appoint the following to join me¹ as the initial members of the search committee for the Executive Director position:

Jimmy Bailey, Jr.
Dr. Edward Keith
Lisa Stevens²

This committee will meet soon to discuss the process and formulate a recommendation to the full Commission.

Thanks in advance for everyone's time and hard work in this process.

¹ As you are aware, our bylaws require the Chair to serve *ex officio* on all committees.

² Lisa is out of the country until late June. In her absence Marvin Quattlebaum will participate on the search committee so that all appointing authorities are represented.
